I am very familiar with Behringer products and I expect only a one to two year life span from this product.. I have an ibook g4 with Mac OS X and this piece of hardware works perfectly My headphone port stopped working because of a logic board problem, and I needed an alternative so I could use headphones instead of the internal speakers.. You may, however, make a one-time permanent transfer of all of your license rights to the Software to another end user in connection with the transfer of ownership of your Product, provided that: (i) the transfer must include your Product and all of the Software.
